Victoria Cookers. Passionate about Tradition.

TR4110 - 110CM

# Kitchen Inspiration

Discover a love of detail and a passion for tradition with the new Victoria range cooker from Smeg. A state of the art cooker to inspire you to rediscover traditional recipes and give you the courage to create your own. Stylish aesthetics, superb quality and unmistakable design are the ingredients which make every Smeg appliance unique.

The dual fuel Victoria is 110 cm wide, has two multifunction ovens, separate grill compartment, convenient storage drawer and 7 burner gas hob. Features include:

- 4 cooking levels in each oven and 2 in the grill
- Digital electronic clock/programmer
- Stylish and ergonomic controls – comfortable even for users with hand dexterity difficulties
- Triple glazed removable door glasses – keeps them cool to the touch and means they're easy to clean
- Easy clean enamel interiors
- Profile in base of oven to take the Smeg pizza stone (optional accessory)
- Vapor Clean facility in both ovens – uses steam to lift off grease and dirt
- Dishwasher safe removable roof liner
- Sabaf gas burners - for efficient and economical use of fuel
- Heavy duty cast iron pan stands – will not rust or discolour
- Available in cream, gloss black, red wine, pastel blue, pastel pink & silver enamel

## SPLASHBACKS

Glass splashbacks are available from Smeg to complement the Victoria range of cookers. Available in both 90cm and 110cm in cream or black, they are a great addition to the cooking station.

There are also 140mm high upstands to match, which can be fitted on the wall behind the worktop. These can be cut to size by the installer to ensure a perfect fit.

SPLASHBACKS		UPSTANDS	
DIMENSIONS	90CM W X 75CM H	110CM W X 75CM H	2 X 100CM W X 14CM H
GLASS COLOUR	MODEL NOS	MODEL NOS	MODEL NOS
BLACK	 SPG9075NE	SPG110NE	UPGNE
CREAM	 SPG9075P	SPG110P	UPGP

Splashbacks are a practical addition to any kitchen as they are easy to clean, with no grout lines to collect dirt or grease. They are also a very cost effective alternative to tiles that are simple and easy to install and result in a smooth and seamless finish.
